

## Coro moon piano v cover pro datasheet

LED recessed spotlight with fireball light source (downlight non-tiltable) for hollow ceilings or solid ceilings with ceiling box. model with cover ring for magnetical attachment. The spotlight is mounted with a simple tension spring mechanism and requires no screw fittings. Version with remote power supply unit, connection to external constant current power source (driver). Dimmable via customer-supplied dimmable power supply unit. The innovative LED fireball technology creates a special lighting effect - direct, downward-facing light and atmospheric illumination by the fireballs indirect light. The fireball as a light source has a light cone of 30°.

## Coro moon piano v cover pro lighting effects

### moon

direct, glare-free light,  
beam angle approx. 30°

optics: Occhio fireball

power: high color 9 W
