

Coro piano edge pro  
datasheet

LED recessed spotlight with zoom optics (swivable) for hollow ceilings or solid ceilings with ceiling box. edge model with filigree ceiling edge. The spotlight is mounted with a simple tension spring mechanism and requires no screw fittings. Version with remote power supply unit, connection to external constant current power source (driver). Dimmable via customer-supplied dimmable power supply unit. The zoom optics can be rotated by 360° (with stop), swiveled by 30° and the light cone can be continuously adjusted within 25–60°.

\* cut-out dimensions  
\*\* minimum thermal distance, installation height depending on driver

dimensions in mm
